

Reports Guide

Aggregate data into actionable insights

Contact Center SolutionsSM

Where are my agents spending most of their time? What is my call abandon rate? Are my agents meeting service levels? Answer these questions and more with the robust selection of reports available across ENA's Basic, Gold, and Platinum contact center packages. With hundreds of reports at your fingertips, you will have access to vital contact center metrics, performance data, and other KPIs that you need to assess and review to make informed decisions.

INTEGRATED CONTACT CENTER BASIC REPORTS

REPORT NAME	DESCRIPTION
Abandoned Calls Summary	Shows many calls are abandoned across all of your Queues
Agent Status Summary	Shows how long an Agent has been spending in each Agent State during your chosen time period
Agent Summary	An overview of the performance of all the Agents in your call center, allowing you to spot any issues that may require further investigation
Calls by Day	The number of calls per day that are being received by your call center and how they are being handled, which can be used to identify patterns in call volume and unexpected rates of call abandonment or rejection
Calls by Queue	The number of calls that are being received through a particular Queue and how they are being handled
Call Detail by Agent	Detailed view of incoming and outgoing call activity for a particular Agent, allowing you to easily assess their level of performance
Call Duration Summary	Shows how quickly your Agents are dealing with customer calls
Call Log	An overview of all calls made to or from the Business Group or Departments that you manage (and any other sub-departments) during your chosen period of time
Daily Traffic	An overview of when your call center is at its busiest, allowing you to identify peak hours of activity and when Agents are handling more calls
Frequent Callers Summary	Shows the 50 most active callers, in order, for the selected Queue
Hourly Usage	Shows which hours of the day a Queue is at its busiest, helping you plan when extra Agents may be needed
Inbound Summary	A summary of the activity for each Pilot Number in your Queue(s)
Queue Summary	An overview of activity in all your Queues on a single report including both inbound calls and internal calls
Short Calls by Agent	Shows the number of calls of less than 5 seconds handled by your Agents
User Statistics	An overview of the performance of each of the Agents in your call center including key metrics such as how many Agents are failing to answer and average length of calls
